

Save your Pennies!

Each Grade will have their own collection container located in the hallway by the office. Earn points for your grade by adding pennies and bills to your grade's container.

Lower the points for other grades by adding silver coins to their collection containers.

Collection containers will also be at Young Authors Night, this will be your last chance to boost your points.

The grade with the most points at the end of March will win a Pajama day and an extra recess!

POINTS

POSITIVE
